### **Teaching Experience:**

2001-present: Teacher of English to Speakers of Other Languages at the Worker Education Program

1995-present: Senior Lecturer, ESL Center of Academic Support Programs at the University of Massachusetts/Boston

I have been teaching English to Speakers of Other Languages for the last 15 years. I have taught workers in nursing homes, hospitals, and public school cafeterias, as well as university freshman. I enjoy working with all levels of students, creating classes that meet the educational needs and particular interests of each group.
